

# Governance Inclusive Education (GovInEd)

1. Newsletter, June 2022

## What is this project about

The Erasmus+ project GovInEd aims to explore how and why coordination or implementation does or does not work in all levels of the governance system (multi-level-analyses of governance) and to gain knowledge and expertise that can be shared through professionalization of stakeholders on governance of inclusive education.

The project focus is on network analyses and involvement of all relevant actors and stakeholders in the context of inclusive education transformation processes and ongoing reform efforts in the participating countries Germany, Austria, Italy and Spain.

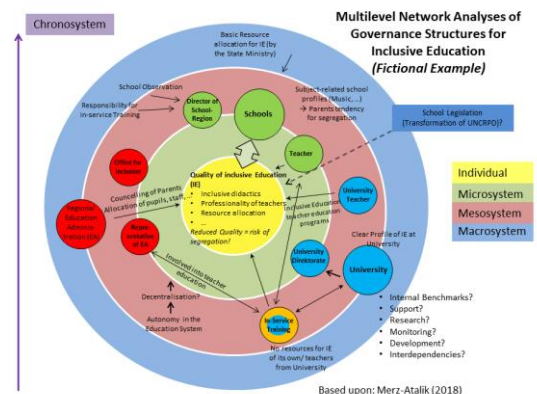

## Who is implementing the project

Nine institutions from Austria, Germany, Italy and Spain are jointly implementing the project:

- Austria: University College of Teacher Education Styria
- Austria: Board of Education of Styria
- Germany: Ludwigsburg University of Education
- Germany: Leipzig University
- Germany: Tübingen State Education Authority
- Italy: Free University of Bozen-Bolzano
- Italy: Autonomous Province of Bolzano
- Spain: Autonomous University of Barcelona
- Spain: Department of Education. Government of Catalonia

## What will be done

- Multilevel network analyses of international governance systems, structures and strategies in inclusive education reforms to work out the relevant factors for success in the implementation of inclusive education reforms based on the international comparison.
- Curriculum/Module for training and professionalization "Governance of inclusive Education/International" to enable students to gain insights into the policy and governance level of educational systems in different countries.
- Barrier-free web-based e-Learning and information platform providing AI-supported access to materials and OER on governance of inclusive education.
