El model de resposta a la intervenció

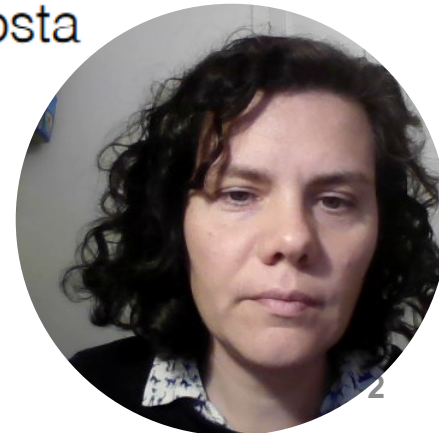

Intensitat de mesures i suports

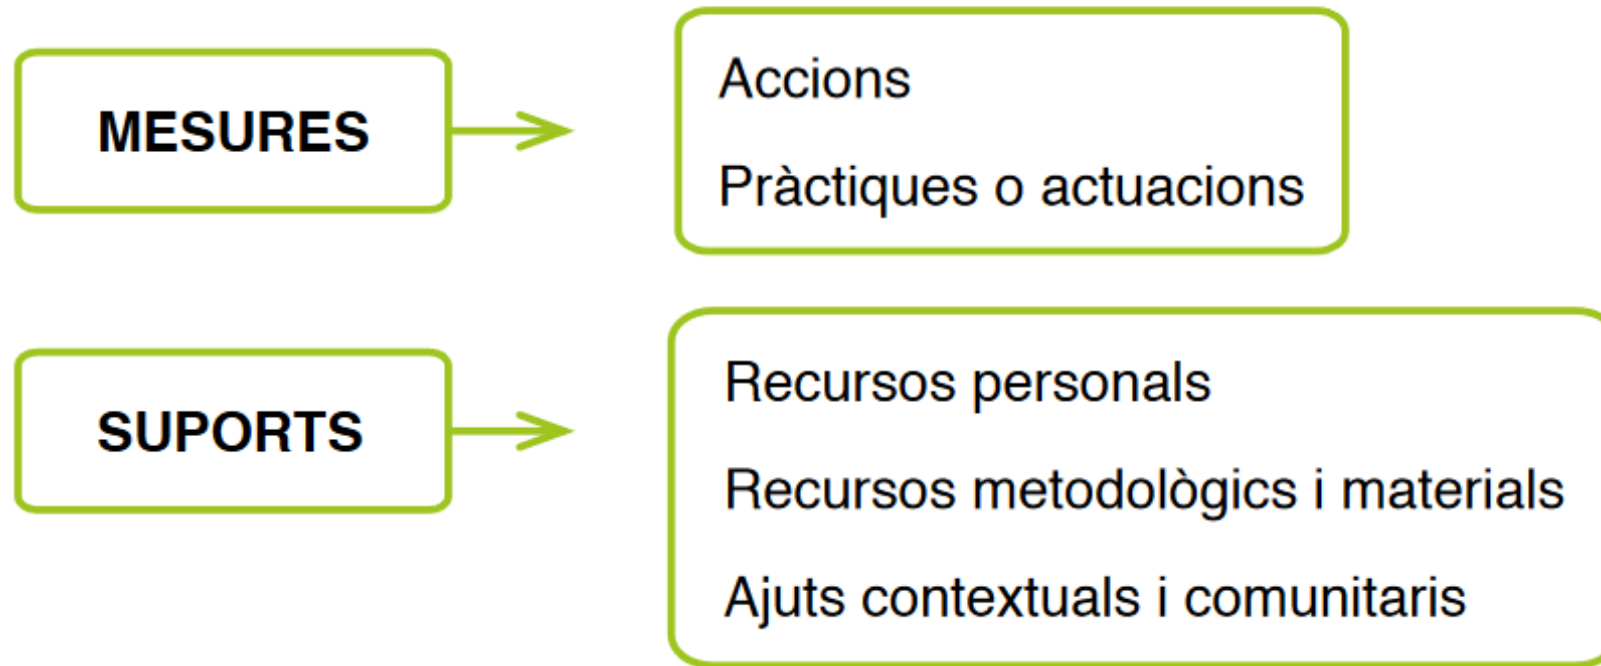

01 Proporcionar a tot l'alumnat una atenció educativa universal de qualitat.

02 Establir un sistema d'avaluació universal que permeti la identificació precoç de necessitats específiques de suport educatiu de l'alumnat. L'objectiu és proporcionar mesures i suports adequats i efectius per garantir el progrés de tot l'alumnat.

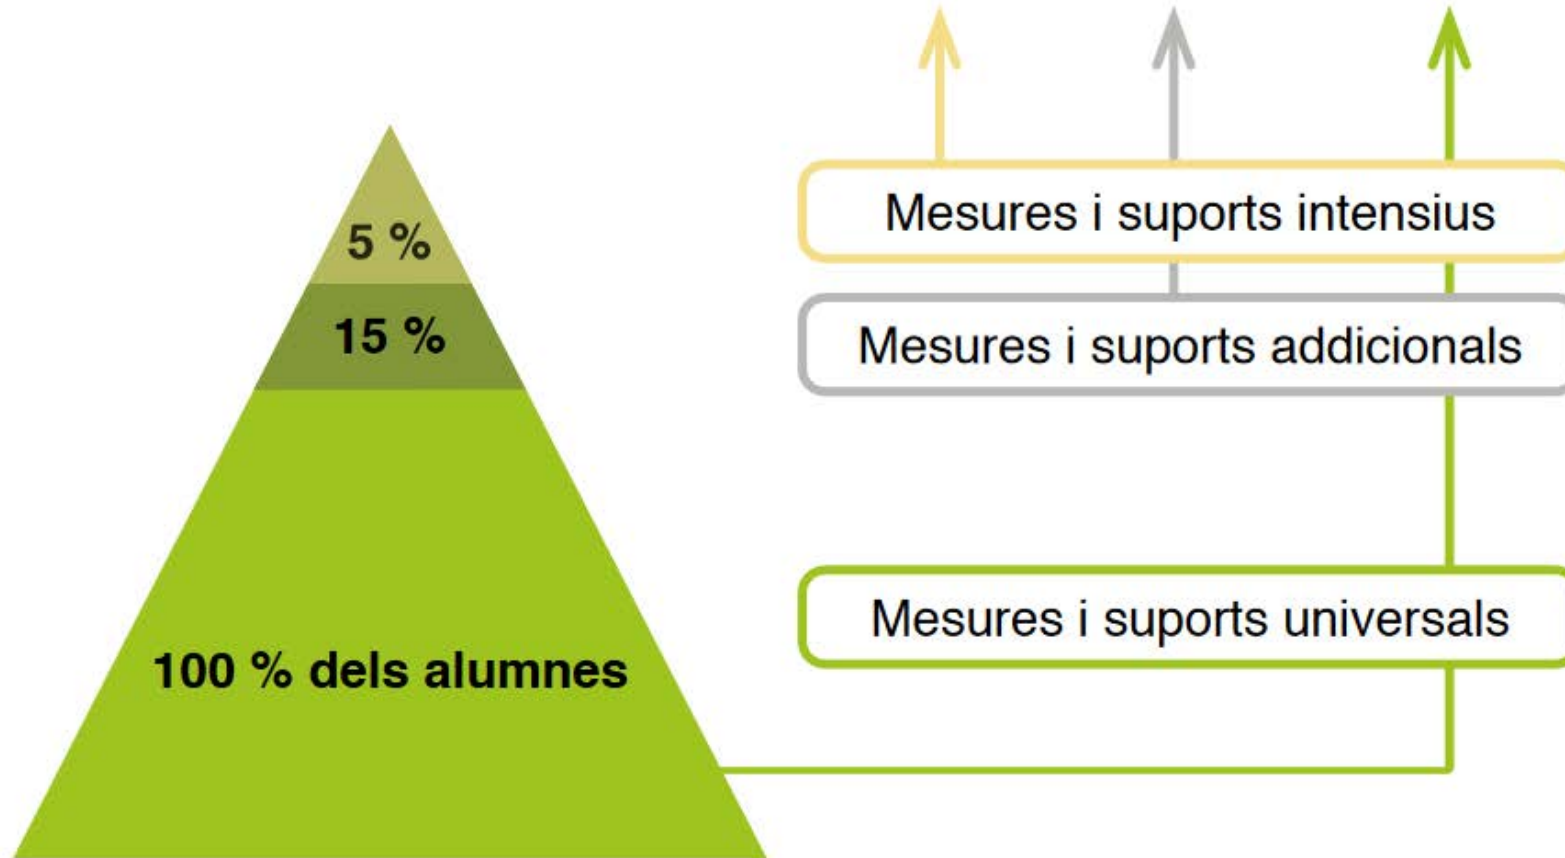

03 Avaluar l'efectivitat de la intervenció segons el progrés de l'alumnat amb l'objectiu d'introduir modificacions per millorar la qualitat de la proposta pedagògica.
